PAGE 49: Motion to add an alternative that the last year of the time series be the most recent year for which data is available. The motion carried on page 50.

PAGE 51: Motion to add Action 2, Annual Catch Limits for Surgeonfish, as a new option. The motion carried on page 52.

PAGE 60: Motion that in recognition of the commonality of fishing behaviors and data limitations (availability of data and level of aggregation), the council designates the following places and broad geographic areas as constituting fishing communities for the purpose of the human community and social impact assessment of the expected affects of the proposed actions in the 2011 ACL Amendment: St. Croix; St. Thomas/St. John combined; Puerto Rico, northern coastal municipalities combined, southern coastal municipalities combined, eastern coastal municipalities combined, western coastal municipalities combined. The motion carried on page 61.
