Martínez

Facebook and Instagram

- We continue publishing information about:
 - Seasonal closures
 - Announcements of webinar offered by other agencies or organizations
 - NOAA Bulletins
 - CFMC Meetings
 - Species (Slide Shows)
 - Topics related to Essential Fish Habitats
 - DNER Administrative Orders during pandemic
 - DPNR communications
 - AmandOceano FB Lives (fish id and lionfish)
 - Thanks to all the persons that always contribute sharing information, reviewing posts, sharing our content: CFMC staff, fishers, scientists, agencies, stakeholders.

CARICOOS WORKSHOPS

- Boating App Workshops were offered on Tuesday, September 24, 2020 (Spanish) and Tuesday, October 6, 2020 (English) through ZOOM and broadcasted thorough CFMC Facebook page.
- Workshops were a collaborative effort among CARICOOS, PR Sea Grant, and the CFMC.

YouTube Channel

- New in YouTube
 - Recordings of DAP Meetings and Regular Meetings
 - Video on Ocean Acidification funded by the NOAA's Ocean Acidification Program
 - Recording of the Responsible Seafood Consumption Webinar sponsored by PR Tourism Company (Dr. Árida Ortiz and Marcos Hanke were the presenters)

What's new?

- **CFMC Monthly Bulletin** – Bulletin includes information regarding CFMC Meetings, underutilized species, fishers, sustainability, information in our social media platforms. It is available through Facebook, CFMC webpage, and email.

THANK YOU!!!
